Further Information

This report is one of a series that was produced by the N8 Policing Research Partnership with support from the College of Policing's Innovation Capacity Building Fund.

The N8 Policing Research Partnership (N8PRP) enables research collaborations that help address the problems of policing in the 21st century. As a regional hub for research and innovation in policing it provides a platform for collaborations between universities, Police and Crime Commissioners (PCCs), Government, police forces, and other partners working in policing policy, governance and practice.
